

Boat Race Activity

**...giving children
the best start**

EYFS: Expressive arts and design: It is important that children have regular opportunities to engage with the arts, enabling them to explore and play with a wide range of media and materials

You are your child's teacher:

Face to face play time

Use descriptive language:
ready, steady go

Social interaction

Encourage other family
members to join in the
race.

Repeat activities as much
as possible.

Be warm, supportive, and
encouraging.

You will need:

- Marshmallow
- Toothpicks
- Card or Paper
- Scissors
- Tape
- Container for water

Depending on your child's age have them make sails out of different materials i.e. tissue paper, regular computer paper, fabric etc.

Let them use their imagination.

Have a race while blowing your Floating boats with a
straw.
