

# Nottinghamshire Specialist Breastfeeding Clinic

Nottinghamshire Breastfeeding Clinics aim to offer specialist breastfeeding support for mothers in Nottinghamshire to enable women to continue breastfeeding for as long as they wish. The Clinics are run by International Board Certified Lactation Consultants with referrals taken from: Healthy Family Teams, Midwives, GP's and Children's Centres for any complex breastfeeding issues. Mums should be reviewed F2F by the HFT prior to referral. Mothers CANNOT self refer to these clinics.
