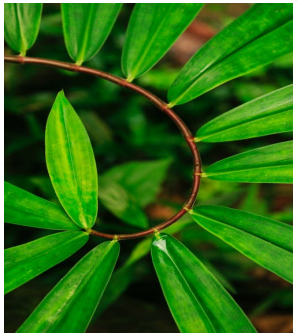
Painting leaves

...giving children the best start

EYFS: personal, social and emotional development : by providing opportunities to show curiosity, develop new skills, develop confidence and autonomy, make choices and sometimes become involved for long periods of time.

You are your child's teacher:

Use descriptive language. Talk about what your child can see avoid asking questions.
Let your child explore the natural environment.
Give your child time to focus.



You will need:

- Different types of leaves/ twigs
- Paint/ brushes
- String
- Pegs

You could go for a walk and collect some leaves if they are wet you will need time to allow them to dry.

Let your child use their hands to decorate the leaves.

You could:

Get some string and create a washing line, and when your leaves are dry you could put them onto the washing line .

Create a nature wall, you could add twigs, flowers and other natural objects
