...giving children the best start

Play Park Woodland Picture Activity

EYFS Understanding the world: Explore the natural world around them, making observations and drawing pictures of animals and plants.

You are your child's teacher:

Use descriptive language: talk about what your child can see avoid asking questions.

Let your child explore the natural environment.

Be warm, supportive, and encouraging.

Outdoor learning:

Why not take your child to a woodland or natural environment.

It helps your child to create a positive relationship with the natural environment.

Collect different natural object to create a picture on the floor you could use twigs to create the frame for your picture.

Collect twigs, flower or petal, leaves, grass and small stones to use to create your picture.

You could use mud for your background or grass.
You could also use paint to decorate your stones creating patterns.

Splashing in puddles :

Dress your child in old clothes and find their wellies so they are ready to jump in the puddles and have lots of fun.
