

Scavenger Hunt

Nottinghamshire Best Start Strategy 2021– 2025: Play helps to develop social, intellectual, language and problem-solving skills and is one of the main way's babies and young children learn about the world.

You are your child's teacher:

Encourage your child to explore the environment.

Allow your child to take safe calculated risks.

Get your child to recognise the changes in the world around them.

Be warm, supportive, and encouraging.

EYFS states: Playing and exploring - children investigate and experience things, and 'have a go'

You could:

- Go on a bear hunt
- Explore the natural world using a magnifying glass
- Paper bag to collect objects
- Create a picture with objects collected

Bird scavenger hunt

Your child will love to learn to identify the most common British birds with this scavenger hunt.

Colour Scavenger Hunt

This fun colour-themed scavenger hunt can help toddlers learn their colours.
