

Sunshine paper plate

Nottinghamshire Best Start 2021– 2025: Loving, secure and reliable relationships with parents, together with the quality of the home learning environment, support a baby's emotional wellbeing, brain development, language development, ability to learn, and capacity to develop and maintain good relationships with others

You are your child's teacher:

Support your child with the activity

Add string or ribbon so you can hang your sunshine up.

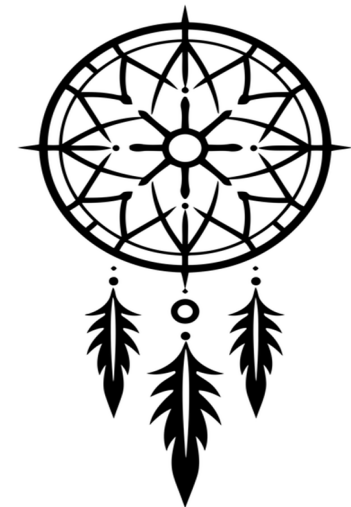

Add gold glitter to your sunshine.

Add some orange paint or colour with orange crayon around the edges.

Adult support and supervision.

You will need:

- Paper plate
- Crayons or paint
- Card
- Glue
- Scissors
- String, wool or ribbon

Paint or colour the paper plate yellow using the card cut out the sun rays, turn the plate over and stick the sun rays on the back. Using the string or ribbon you can hang your sunshine up, you could decorate both sides of your sunshine.

Why don't you cut out the centre of the paper plate and thread yellow wool from one side of the sun to the other side and create a sunshine dream catcher.
