SUPPORTED HOUSING
ALL SAINTS

All Saints Terrace offers supported accommodation to people with mental health needs

ACCOMMODATION:

- 3 bedsits and 20 self contained flats in and around the Arboretum area
- Bedsits contain a hand basin with a shared kitchen and bathroom, plus communal lounge
- Self contained flats contain bedroom, lounge, kitchen and bathroom
- Fully furnished
- Easy access to local amenities
- All accommodation is maintained to the highest standard
- The project also provides internet access and the use of a tablet

ONE-TO-ONE SUPPORT:

Many people find having their own support worker helps them to identify and overcome difficulties. These difficulties may prevent them from improving or building independent lives.

We will help you to plan the support you need to meet your goals. An agreement will be made about who will do what and about when and how often you will meet with your support worker. As well as helping to overcome existing difficulties, this often prevents new problems developing.

WHO WE SUPPORT:

All Saints Terrace offers support to 18 year olds and over to develop their independent living skills and move on within a two year period.

THE SUPPORT WE OFFER:

- Support planning and risk assessments tailored to meet your needs
- Your own named keyworker
- Out of hours support provided by the NCHA SMaRT service (Support Management and Response Team)
- Support sessions and regular service user meetings
- You will be encouraged to become involved with the service user magazine and service user workshops
- Advice in claiming welfare benefits
- You will be encouraged to become involved in the running and development of the project
- Respect for choices, privacy, confidentiality and promotion of equalities and diversity

WE WILL HELP YOU WITH:

- Gaining employment
- Accessing further education
- Gaining more independent living
- Signposting to other services
- Developing essential life skills e.g. managing finances and shopping
