ONE-TO-ONE SUPPORT:

Many people find having the support of a scheme manager & support staff helps them to identify and overcome difficulties. These difficulties may prevent them from improving or building independent lives.

We will help you to plan the support you need to live independently. You will be sign posted to the appropriate services for welfare and benefit advice to gain confidence in accessing different support channels set up by the government. As well as helping to overcome existing difficulties, this often prevents new problems developing.
