Church Farm at Hickling Lodge
RESIDENTIAL DEMENTIA & NURSING CARE

"Let good nature and truth
and a right cheerful heart
Be with us for ever a
charm to impart."
George Hickling, Rusticus 1859

Cutting edge luxury care
Warm welcoming exceptional
design which allows family
members to retain autonomy

# Welcome to
# Church Farm at Hickling Lodge

Bright and Spacious, the 30 new bedrooms of Hickling Lodge all have light and airy ensuite bathrooms with access to private gardens off each bedroom.

Finished to the highest specification and individually designed in a Modern British colourful style, each room is generously sized with floor to ceiling windows overlooking the surrounding bird filled woodland gardens, and every bedroom has their own private patio garden or balcony too.

## Care services

**24-hour tailored compassionate care**

Every one of our luxury suites are wheelchair accessible, we provide 24-hour round the clock compassionate care in a peaceful woodland setting.

## Respite Care

**Step-Down Rehabilitation Beds**

We are proud to be working in partnership with the NHS and CCG to offer short term 'wrap-around care' after leaving hospital, to help you on your journey back to health, whatever your care and health needs, we are here for you. This includes physiotherapy and occupational therapy support.

## Holiday Stays

We are able to provide 24 hour nursing care for your holiday stay with us, whether that's for a few days or a few weeks, our care team will work with you to arrange activities and make the best of your stay with us.

## Specialist Care

**24-hour tailored compassionate nursing care**

Our nursing team are equipped to care for all your needs including dementia, Parkinson's, cancer care, and stroke, using cutting edge technology and high-tech medical record keeping.

To support our in-house professionals, we have a team of visiting professionals who further enhance your health and care needs, including our dedicated GP, Speech and Language Therapists, Physiotherapists, Occupational Health Therapists, and Dieticians.

## Dementia Care

All our staff are trained to the highest standards in dementia care. Pioneered by Dementia Care Matters, our method of care enhances quality of life with clear outcomes that focus on well-being.

We partner with the University of Nottingham, The Health Foundation and NHS research groups to ensure the latest research and best practices are adopted for the benefit of our residents.

## Complex Care Needs

At Church Farm Care, our highly skilled care team are equip to support you with your complex health needs, focusing on enhanced well-being and delivering the very best outcomes.
