

HOW TO REFER

Referral through the Online Platform (e-HealthScope)

Health and care professionals submit a referral for individuals with learning disabilities and/or autism **who may need additional support to stay in the community and avoid hospitalization.**

[Click Here for the Referral Link -](https://ehsweb.nnotts.nhs.uk/Default.aspx?tabid=342&da=26&p=12)

ACCESS REQUESTS

Users with the following domains in their email address should be able to login without issue:

- @nhs.net
- @nottshc.nhs.uk
- @nottscg.gov.uk
- @nuh.nhs.uk
- @nottinghamcity.gov.ukz
- @nottshc-chp.nhs.uk
- @nottinghamcitycare.nhs.uk
- @notts-his.nhs.uk

If users attempt to login to HealthScope without having an email which uses one of the domains above, it is likely that they will not be able to access eHealthScope.

For Nottingham City employees:

Please contact the Nottingham City Service Desk via the Self-Service Portal.

In the request details, please enter a message requesting accessing to eHealthScope and put somewhere in the request details the following message: "Assign to Server Support for action".

For all access approvals, please email
nnicb-nn.nottsdsr@nhs.net.
