WHO WE SUPPORT:

Vale View offers accommodation to people over 50 who wish to live independently but still receive regular support.

WHAT YOU CAN EXPECT:

Vale View prides itself on its holistic approach to your well being and happiness. An active residents' committee combined with officer support ensures you can access a wide range of social activities.

Frequent social activities include bingo, cheese/wine events, coffee mornings, singalongs, day trips, and shopping trips. Vale View has visiting mobile hairdressers and a chiropodist. You can also enjoy a home cooked low cost two course dinner 5 days a week.

The scheme has on-site care staff, non-resident management staff (24 hours a day, 365 days a year) and a community alarm. You will receive daily contact from on-site staff and there is emergency cover at night. Through daily contact we can make sure that any changing needs you might have are recognised.

HOW TO APPLY FOR SUPPORT:

You will need to complete a housing application form if you want to live at Vale View. We accept self referrals and referrals from GP's, social services, local authority and any voluntary organisations or community groups.

After we have received your application form we will invite you in to have a needs assessment and to look around the scheme.

Call the scheme on 01636 605084 during office hours to arrange a visit.
