REGISTERED CARE HOME

WATCOMBE CIRCUS

Watcombe Circus provides services for men and women with a learning disability

ACCOMMODATION:

- 12 fully furnished bedrooms
- Communal lounge, bathroom, dining area, laundry room, courtyard area
- Long term accommodation
- Fully furnished
- Easy access to local amenities
- All accommodation is maintained to the highest standard
- Wheelchair access, including a lift

ONE-TO-ONE SUPPORT:

Many people find having their own support worker helps them to identify and overcome difficulties. These difficulties may prevent them from improving or building independent lives.

We will help you to plan the support you need to meet your goals. An agreement will be made about who will do what and about when and how often you will meet with your support worker.

As well as helping to overcome existing difficulties, this often prevents new problems developing.

WHO WE SUPPORT:

Watcombe Circus provides services for men and women with a learning disability.

THE SUPPORT WE OFFER:

- Support sessions, service user meetings and one-to-one support
- Respect for your choices, privacy, confidentiality and promotion of equalities and diversity
- You will be encouraged to be involved in the running and development of the home and being involved in person centred service groups
- Support planning and risk assessments tailored to your individual needs
- Person centred support plans developed with you
- Your own named keyworker
- Access to specialist services
- Meets CQC standards and regulations
- Day time activities provided

WE WILL HELP YOU WITH:

- Gaining employment
- Accessing further education, training or volunteer work
- Gaining more independent living
- Developing essential life skills e.g. managing finances and shopping
- Improving your confidence
- Accessing social networks
- Starting/resuming hobbies and interests

HOW TO APPLY FOR SUPPORT:

You can download the application form from our website (www.ncha.org.uk) or we can send one out to you. For more information you can contact us using the details overleaf.
