REGISTERED CARE HOME

THE WELLS ROAD

The Wells Road provides services for both men and women with a learning disability

ACCOMMODATION:

- 6 fully furnished bedrooms
- Communal lounge, bathrooms, dining area, garden
- Easy access to local amenities
- All accommodation is maintained to the highest standard

ONE-TO-ONE SUPPORT:

Many people find having their own support worker helps them to identify and overcome difficulties. These difficulties may prevent them from improving or building independent lives.

We will help you to plan the support you need to meet your goals. An agreement will be made about who will do what and about when and how often you will meet with your support worker.

As well as helping to overcome existing difficulties, this often prevents new problems developing.

WHO WE SUPPORT:

Wells Road provides services for both men and women with a learning disability.
